## **NEW ZEALAND FOOTBALL/FUTSAL NEW ZEALAND**

The East City Club has for many years been a major driving force behind Futsal New Zealand. After many years 'in limbo' in terms of support and commitment to Futsal, New Zealand Football have recently embraced the sport and demonstrated their commitment to the game by the appointment of a full time Futsal Development Manager. This is a long overdue and most welcome move.

There look to be some exciting times ahead for the game with improved player development opportunities, more Futsal providers, regular regional and national competitions, improved training and development of referees, high level commitment to national representative teams etc – all high on the agenda for 2010 and beyond.

All financial members of East City will automatically be affiliated to the national body. Team registrations fees have been increased slightly to assist in covering the per head affiliation levies that will be payable.

Team organisers need to ensure that ALL players are registered via our online system, with full and accurate details provided. This information will be the basis of arranging annual affiliation.

## **PAYMENT OF FEES**

Fees can be paid:

- ✓ Online by Visa or Mastercard at time of registration (preferred)
- ✓ By internet banking (one payment in full)

Any youth, or junior, girls-only teams can enter a mixed league an age group below their standard age.
