

FUTSAL. THE POWER OF FIVE

EAST CITY PLAYER TRIAL FOR FUTSALWHITES – REGIONAL COACHING CAMP.

*** SUNDAY 16TH MAY * ASB STADIUM * 3.30PM TO 5.30PM**

Scott Gilligan, Oceania Football Confederation Futsal Project Manager and our regional selector will attend the above trial. This is to select players from East City to attend a coaching camp from 21st to 24th May – see schedule below, at the ASB Stadium. We are sorry for the short notice between the trial and the camp but Scott is currently in Solomon Islands and flies in early afternoon of the trial day.

This camp will be run by Scott Gilligan and the regional Futsal coach. The purpose of these camps is to up skill our current top players in New Zealand. Selectors will be observing all players at these initial two camps in Auckland and Wellington for selection into the FUTSALWHITES twelve man squad. This squad will be attending the OFC Championships in Fiji in August of this year.

To be selected to represent New Zealand under the laws of FIFA you must be a NZ citizen.

The commitment expected of selected players is high. NZF-Futsal is making a firm commitment to player development at not only grass roots level but also elite. As such, players will need to guarantee their availability to attend all scheduled training camps and participate throughout entire competition durations.

When players are in camp with the FUTSALWHITES all immediate costs will be covered by NZF-Futsal. This includes:
